Chuck Feinberg, Chairman, 973-886-1655, [chuck.feinberg@gmail.com](mailto:chuck.feinberg@gmail.com)

### **Membership Memorandum of Understanding**

The NJ Clean Cities Coalition (NJCCC) is a 501(c)3 nonprofit organization incorporated in the state of New Jersey for the promotion of education related to the development and use of alternative fuels, alternative fuels vehicles, and the appropriate related infrastructure. As a designated Coalition within the U.S. Department of Energy’s Clean Cities Program, the NJCCC is one of approximately 90 similar entities across the US, and the only one in New Jersey. Clean Cities strives to advance the nation's and energy security by supporting local decisions to adopt practices that contribute to the reduction of petroleum consumption. The Clean Cities network of coalitions support the development of public/private partnerships to promote alternative fuels and advanced vehicles, fuel blends, fuel economy, hybrid vehicles, and idle reduction.

The NJCCC has formed a membership coalition for the benefit of its stakeholders. The goals of the membership coalition include the facilitation of the reduction of our dependence on imported oil, reduction of regional air pollution from vehicle emissions, assistance to stakeholders and other local businesses and public entities with regulatory environmental compliance, encouragement of economic development through job creation, and to create a positive community image.

As an entity interested in the following:

- Promoting the use of alternative fuels and alternative fuel vehicles and the development of infrastructure for alternative fuels,
- Promoting education and demonstration programs consistent with the goal of educating both other stakeholders and the public regarding AFV’s,
- Identifying and assisting in the development of funding sources regarding the promotion of AFV’s and AFV fueling facilities and other NJCCC activities,
- Serving on at least one NJCCC committee and/or actively participating in the development and support of NJCCC programs as may be periodically requested.

\_\_\_\_\_ would like to become a member of the NJCCC coalition.

This MOU shall become effective upon the later of the date of signature below and the receipt by NJCCC of the applicable membership dues, and shall remain in effect for a period of one year, upon which the MOU becomes eligible for renewal. The current dues structure is as follows: individuals and private entities - **\$50.00**; Public agencies and students - free; nonprofit organizations - contact us. Membership includes a listing on the NJCCC website; for an additional fee of **\$50.00**, the NJCCC will provide a link from our website to yours. Please make checks payable to the NJCCC and send to the attention of Chuck Feinberg, at the address above.
