

Discount for NJ Clean Cities Members

The New Jersey Clean Cities Coalition is happy to again be working with the National Truck Equipment Association (NTEA), producers of the well-known *Work Truck Show* and *Green Truck Summit*.

To this end, we are very pleased to offer to our members in good standing a **FREE PASS** to **The Work Truck Show® 2012**, North America's largest work truck event which will be held **March 6-8, 2012** at the **Indiana Convention Center in Indianapolis, IN**, and **special pricing for the Green Truck Summit**. The Green Truck Summit, special events and educational curriculum kick off on Monday, March 5.

This Tradeshow and its educational offerings provide a wealth of critical and beneficial information to our efforts. NJ Clean Cities members will be entitled to unlimited benefits in networking, solution-finding and training. Come on one, two or all three days of the Show to maximize your time, energy and resources, including:

- *Free entry on to the tradeshow floor with exhibits from more than 550 leading suppliers, including corporate, engineering and technical representatives and displays from sixteen leading chassis manufacturers (a \$50 value!)*
- *Free access to attend one of the Convention's concurrent educational sessions — more than 30 of which are offered on topics such as vehicle weight distribution, federal excise tax implications, state of the industry overview, statistical fleet analysis, vehicle certification and chassis manufacturer updates*
- *Free admission to the CALSTART Clean Technologies and Fuels Pavilion, where exhibits showcase clean alternative vehicles and technologies*
- *Free passage to the Green Truck Ride-and-Drive where you may drive (or ride in) cutting-edge work trucks that feature the latest in hybrid and alternative fuel technology*
- *Clean Cities member exclusive pricing of \$159 for the Green Truck Summit (reg. \$259) if*

*registered before February 17 (\$199 thereafter). **Note that this savings is more than the cost of membership in the NJCCC!***

The **Green Truck Summit** (March 5 and 6) is known as the industry's foremost educational forum on green initiatives for the work truck industry. Led by distinguished industry experts, this Summit covers topics such as funding for clean vehicles, trends in work truck technologies and fuels, idle reduction technologies, deployment strategies, gaseous fuel conversions, and much more.

Visit NTEA.com for complete event information. To confirm your membership status in the NJ Clean Cities Coalition, or to receive your registration code, please email Rachel Clark at raclark711@gmail.com.

NJ CLEAN CITIES COALITION is a 501(c)3 nonprofit dedicated to the advancement of alternative fuels and advanced vehicle technologies in order to increase domestic energy security, enhance economic development and improve regional air quality. We rely on membership fees and sponsorships to carry out our activities.

Please help support our activities!
